

# Princeton Flea Market

P.O. Box 1 • Princeton, WI 54968 • 920-295-3877

*Sponsored by the Greater Princeton Area Chamber of Commerce*

## Food Stand Guidelines & Clean-Up Duties (2-99)

**HOURS** - The food stand should be open from 8 a.m. to 2 p.m.

**EQUIPMENT** - All the equipment in the stand is provided for your use by the Chamber of Commerce. Please treat it as you would your own. If you notice that something is not working, please leave a note on the closet door.

**CLEAN-UP** - It is each groups responsibility to thoroughly clean the stand after each use. Clean-up includes the following:

Clean inside and outside of pop coolers; clean and drain the old pop cooler used for serving. Sweep and mop the floor. Wash all coffee pots and other utensils provided and put away. Thoroughly clean the roasters inside and out. Place grease buckets **OUTSIDE** the back door. These **MUST** have tight-fitting lids or our clean-up crew will not pick them up and your contact person will be asked to come and remove them. **NEVER** pour grease into the drains or dump it outside. Thoroughly wipe all counters **AND** the screens by the serving areas. Clean the stove - top, drip pans and oven if you used it. Carefully clean the grill top **AND** clean the filters above the grill - hot soapy water and a little bleach work well.

**GARBAGE/RECYCLING** - Empty the garbage containers into the outside refuse barrels. We ask that you take responsibility for recycling your tin cans, glass and plastic. Please designate someone to remove these materials and recycle them. The bin that we have had outside the stand has not worked. Flattened cardboard may be left outside the back door (if it's raining, leave the cardboard inside). Containers are provided outside for aluminum cans.

**CLEANING SUPPLIES** - Each group is responsible for providing clean-up supplies such as dish clothes, towels, cleanser, dish detergent, etc.

THANK YOU FOR YOUR COOPERATION!
